**REQUEST FOR RECONSIDERATION
OF DECISION ON PETITION**

Hon. Commissioner of Patents
and Trademarks
United States Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant, through her undersigned counsel, hereby respectfully requests reconsideration of the Decision mailed October 5, 2006 in response to the Petition filed on July 13, 2006.

In the decision, it was noted that Applicant's counsel did not submit the firms docket record for the period subsequent to the alleged January 10, 2006 mailing date of the Office Action. The applicant's counsel docketed all office activity including Office Actions on a

computerized docketing program. Attached hereto as Exhibit 1 is a true copy of the firm's docket report for the period covering January 9, 2006 through April 14, 2006. The docket report indicates no entries for the Docket No. Smith-H for this matter.

If the office action were received in our office, the three month response date of April 10, 2006 would have appeared on this docket report. In addition, I have reviewed the office file for this matter as well as our computerized records and both indicate that the Office Action was not received. As stated in the original petition, the Office Action was not received in our office.

I hereby declare under penalty of perjury that the foregoing is true and correct.
